OUR 22nd ANNUAL SALE

You are heartily invited to Klaymor Farms on Tuesday, October 28th, the occasion of our 22nd consecutive annual sale of Shorthorns, the 3rd in which Klaymor and Glenburn have combined.

We welcome for the first time as a consignor, George Lasby whose entries have been consistently crowding the top at our major shows. The get of Cruggleton Bayard have been tough to beat, and with sons of Calrossie Armada and the \$50,000. Bapton Constructor now in service, the Lasby offering should strengthen the sale greatly.

Again, the Klaymor consignment consists entirely of the get of the 1954 C.N.E. and Royal grand champion, Kilburnie Augusta Ransom.

Again, the Wyndstone entries from Lew Scott, include 5 daughters of Uppermill Marquis, sire of many four figure sale toppers.

The Glenburn string features the get and services of the 1957 C.N.E. and Royal Winter Fair champion Moray Jackaroo, including 5 sons and daughters, and 7 other heifers bred to him. Among the latter are the last daughters of Phopachy Diplomat, who bred so consistently at Glenburn for over 9 years. Heading the consignment is the 1958 grand champion, Glenburn Graceful Lass 21st, by Moray Jackaroo, and from the 1949 champion, Glenburn Graceful Lass 12th, dam of the 1955 grand champion, Glenburn Graceful Lass 16th.

**Join us on the 28th, and remember the Louada Manor Sale
at Peterborough on October 27th**

Terms and Conditions

The cattle offered in this sale are thoroughly healthy and are eligible for export. They are tested Federally for Tuberculosis and for Bang's Disease unless officially vaccinated. All papers necessary for export will be provided.

1. Proper care should be given by purchaser to protect breeding qualities and health of animals. Any cattle in this sale that are fitted for exhibition purposes by their new owners are excluded from the following guarantee.

2. All bulls are guaranteed breeders. If bull when sold is 14 months of age or over and fails to breed, he must be reported within 6 months. If under 14 months of age when sold and fails to be a breeder, he must be reported by the time he attains the age of 20 months. A bull shall not be allowed to serve when under 14 months of age or be allowed to run with the herd when under 20 months of age.

3. Cows sold with calves by side are considered proven breeders. All other cows and heifers sold as a single lot are guaranteed breeders, except calves sold by side of dam as one lot and heifers under sixteen months of age at time of sale. Heifers shall not be served for first calf by heavy or old bull. Cows and heifers over three months gone in calf according to service date furnished at time of sale, but not proving in calf, must be reported to seller within three months from date of sale; all others served within three months of date of sale not proving in calf or not settled must be reported within six months. Heifers not settled when twenty-two months of age shall be promptly reported. Heifers over sixteen months of age sold open, not settling within six months of date of sale, shall be promptly reported.

4. Any animal not proving up to foregoing guarantee shall be replaced with another of equal value at time of purchase to the satisfaction of the purchaser, or the purchase price will be refunded at the seller's option, but the seller may, if he desires, have the animal returned for retrial for a period not to exceed six months. The expense of return freight in such case is to be paid by the seller. If the animal is proved to be a breeder beyond doubt, it shall be returned to the purchaser at his expense. In case the animal proves to be not a breeder, then the purchaser shall be given the option of having purchase price refunded without interest or of accepting a substitute as stipulated above. Salvage to go to the seller. No charge for feed or maintenance shall be made by either buyer or seller.

5. A certificate of registry in the Canadian Shorthorn Herd Book will be furnished with each animal. Any animal in this sale can be registered in the American Shorthorn Breeders' Herd Book.

6. We will not be responsible for accidents that may occur. As soon as cattle are sold, they are at the owner's risk, but every care and attention will be given them, and they will be loaded free of cost. Neither the Sale Manager nor the Clerk assumes any liability, legal or otherwise.

7. TERMS—Cash. Settlements must be made with the clerk immediately after the sale.
